Subject: Beach Cities Rover advertising booth and vehicles on Pier

Where will the rampant commercialization of our public spaces stop?

Now Beach Cities Rover on the Pier?

Dear City Council:

Exactly whose interest served when the city to sells off public space like this?

Selling access to our public spaces to fill city coffers is an out of control cancer that the council and city-manager increasingly turn a blind eye too.

What public goals are served by a city policy that would allow the use of public spaces like parks, the beaches or our pier by **For-Profit** organizations or individuals?

Is the plan to allow commercialization of the beaches between 10th-14th street all the way down to the high-tide line?

Does this have resident support?

Dear Records Request Officer:

Please provide me a copy of the permit and approval paperwork and fees paid by Beach Cities Rover for the use of the space pictured above.

Thank You
Anthony Higgins
